VILLAGE OF CATSKILL DOWNTOWN REVITALIZATION INITIATIVE (DRI) ANNOUNCES 6th & FINAL LOCAL PLANNING COMMITTEE MEETING TO BE HELD ON TUESDAY, NOVEMBER 18, 2025, AT CATSKILL HIGH SCHOOL.

The Catskill DRI Local Planning Committee (LPC) has announced it will hold its sixth and final LPC meeting at **Catskill High School on November 18, 2025, from 5:00pm to 7:00pm**. At this meeting, the LPC will vote on the final slate of proposed projects to recommend to the State for DRI funding. Project revisions and eliminations occurred at the prior LPC meeting, resulting in a total of 19 projects amounting to approximately \$15 million in DRI funding requests that are now before the LPC for consideration. Ultimately, New York State will award \$10 million to projects in Catskill. The LPC will select projects amounting to roughly \$12-15 million to include in the Strategic Investment Plan, in order to account for the fact that some projects may prove infeasible due to unforeseen circumstances. Projects not eligible for DRI funding or not ready to be awarded can still be included in the Strategic Investment Plan as "future priority projects."

LPC meetings are open to the public. Time for public comment is included at the end of each meeting. The Catskill community is welcome to attend and take advantage of this opportunity to provide input on the LPC selection of projects with potential to transform and revitalize the Downtown Creek District. Please visit the Catskill DRI website at <https://www.catskilldri.com/> for additional details about the Catskill DRI planning process and community input to date.
